We are off to an Amazing Year

We are off to a great start to the 2021-2022 school year! It is so nice to see school buses back on the road and our children full of smiles as they meet and greet their friends arriving at school and walking the halls.

The Blackhawk Marching Band rocked out to the Awesome 80's! The BMB Half-Time performances were Thrill(er)ing and the excitement & enthusiasm was felt by the fans and visiting teams!

Volunteering is a great way to support the band program.

Although the BMB season is over there are many opportunities to give your time & talents including the annual dinner dance, concerts and parades.
